

Distributorship Program

Know your Business Opportunity

CZ Glam

Established in 2003, CZ Glam is a B2B platform, where wholesale buyers can buy the best quality Indian Fashion Jewellery. Today we are the leading e-commerce company catering to the International Jewellery B2B market. We are currently exporting our fashion jewellery to over 39 countries worldwide.

We have been instrumental in creating over 500 successful Fashion jewellery brands worldwide with over 1000 happy and regular customers and still counting. With a huge storehouse of over 10,000 new and unique designs coupled with a very efficient in-house designing team and passionate consumer support team, we are now a well-known name in the International b2B Jewellery Market.

ABOUT THE PROGRAM

We are providing a platform where you can start your own Online Business via an E-Commerce Website. A website in your own Brand Name with huge inventory of more than 3000 designs to show your customers.

Just like other E-Commerce Websites like Amazon or Wish.
